**BLUE RIBBON FLORAL SURPRISE**

A truly beautiful display of flowers consisting of four dozen blooms is produced from an apparently empty and relatively small stainless steel tube. The display stands nearly four feet in height and is three feet in diameter. This remarkable production is one of the greatest audience pleasers of all time.

**1008  
VANISHING FLORAL DISPLAY**

A large bouquet of flowers complete with pot vanishes from a table at a mere gesture from the performer. It is entirely self contained, table and base are included with a bouquet approximately 24" tall consisting of 12 large blooms all in a colorful square pot. The incredible speed of this vanish is unbelievable.

**1006  
FLOWER IN LAPEL**

A black wand is passed over the lapel and a boutonniere appears thereon. Both single and double productions are available.

**1010  
GARDEN OF SCHEHERAZADE**

From an empty foulard the magician produces 4 brightly hued bouquets standing upright on the floor. Fully self contained, the bouquets are approximately 24 inches high and consist of 12 flowers.

MULTIPLYING BOUQUETS**

This brilliant effect can be used in many ways. One large beautiful bouquet becomes two. Your assistant may bring it to you, whereupon it doubles, or you can produce the first by your own method, then "split" it to award to assistants. This seldom seen effect is a very pleasing one.
